Library Science  
Manning Hall  
Campus Box 3360

Dear Professor Pomerantz:

I am very pleased to inform you that your promotion to the rank of Associate Professor at the University of North Carolina at Chapel Hill has been approved by the Board of Trustees, effective July 1, 2009, and confers permanent tenure in accord with the provisions specified below.

Your appointment has been approved for a nine-month service basis beginning with the opening of the Fall semester and continuing through commencement exercises in the Spring. Since your appointment is based in School of Information and Library Science, the school will be responsible for initiating recommendations for changes in your rank and salary and for processing other personnel actions affecting you.

I look forward to your acceptance of this promotion and ask that you sign the enclosed copy of this letter and return it to me within three weeks for our records. Additional information concerning University regulations can be found in the [Trustee Policies and Regulations Governing Academic Tenure in the University of North Carolina at Chapel Hill](#), a copy of which can be located on the University's web site at [www.unc.edu/campus/policies/tenure.html](http://www.unc.edu/campus/policies/tenure.html).

I congratulate you on the distinction, achievements and contributions this action signifies and I extend my warmest best wishes to you for continued success and fulfillment as a senior member of the faculty of this institution.

Sincerely,

  
Holden Thorp
